

CRESSON

2213-AGB

When our designers stumbled upon an old side table in this shape at a Paris flea market, they were taken with the notion to translate it into a light fixture. To enhance the beauty of this piece, we imported rock crystal, the purest form of quartz. Harvested from distant mountains, we set domes of rock crystal at the center of the metal hourglass shapes. Cresson is a unique fixture for the individualist who treasures fine materials.
