

LUNA

1900-PC

The Luna family's soft profiles sweep circumferentially to create loops of light overhead. Dangling from minimal suspension cables, the slim frames of the chandeliers take the shape of a perfect circle, elongated racetrack, or oblong oval. The wall sconce adds elevated tailoring with a bauble detail and prominent metalwork finished in Aged Brass and Polished Chrome. Available in a variety of sizes, the chandeliers and pendants are finished with Brass, Bright Safin Aluminum, or Safin Black.
