# MORSE 6819-PN

Designed to give the illusion of motion, it's the slightly tapered metal hood that codes Morse's sense of movement. A gentle yet purposeful choice, it's this motion that makes it modern. A comfortable, even light is cast through the white opal glass diffuser. The glass's matte finish serves to further soften the light. A flush mount on the move, Morse is available in two sizes and three finishes (Aged Brass, Old Bronze and Polished Nickel).
