HUDSON VALLEY LIGHTING

The long, slender branches of the Labra family draw inspiration from underwater botanical forms. Each arm supports a small glass globe shade like a delicate ornament of light. In both the chandeliers and wall sconce, a softly pointed end lends an artistic element to the overall look. This family includes a 3-light wall sconce and a 6- or 12-light chandelier in Patina Gold Leaf and Warm Silver Leaf, as well as a taller 12- or 18-light chandelier in Aged Iron, Vintage Gold Leaf, White Plaster, Warm Silver Leaf, and Patina Gold Leaf finishes.
