

HIGH LINE

B7223

High Line is an Urban Park cut from the abandoned 1860 rail line in the meat-packing district of Downtown New York. The project has integrated cultural attractions with revisionist and modern architecture that redefines the old as new again. Our High Line series connects the historical to the modern idiom, in a rhythmic construction of structural form.

FINISHES

DARK BRONZE

DIMENSIONS

Height: 7"

Width/Diameter: 40"
