

SACRAMENTO

F8143-PBR/SBK

Sacramento makes a bold statement while keeping a low profile. Simple metal shades are mounted at the end of long, sweeping arms creating a design that is visually appealing without taking up a lot of space. With shades that are open at both ends, the wider opening at the top allows light to spread freely above while the narrower bottom opening funnels more direct light downward. Patina brass combine with either a soft black or soft sand finish to give the fixture a natural beauty.
