# DUBOIS

1022-AGB

HUDSON VALLEY LIGHTING

The Dubois sconce brings jewelry-like opulence to modern silhouettes. Encrusted in rows of petite spheres, the right-angle arms brim with texture and dimension against the simple circular backplate. Available in 1- and 2-light designs with an Aged Brass finish, this family is luxurious without being loud. The sconce is finished with a crisp white linen shade, offering a moment of stillness to balance the decorative metalwork.
