

ASHER

1202-PN-CE

HUDSON VALLEY LIGHTING

The Asher sconce is a versatile, precisely engineered staple for bath lighting and beyond. Extending from a backplate at a right angle, the metal arm and socket cup anchors the glass in a snug setting. The slim column of clear optic glass is finely fluted, creating a crisp graphic texture that refracts the light. Available with 1 or 2 lights in Aged Brass, Old Bronze or Polished Nickel.
