

TAPPAN

1720-VGL

A contemporary reinterpretation of grand-scale vintage glass chandeliers, the Tappan family creates a gleaming focal point overhead. Soft Blonchino piastra glass elements are gently curved and suspended in layered tiers, creating a cascading composition that descends from a Vintage Gold Leaf ring. Vertical white striations enhance the design while softening the diffusion of light as it shines through the panels. Available with 5-, 13-, and 21- lights, Tappan's organic modernism refreshes any space.
