BRIDGETON

1776-AGB

HUDSON VALLEY LIGHTING

Combining soft materiality and refined form language, the Bridgeton family blends into both modern and classic interiors. Natural silk shades add depth and richness by adding texture to the framework. While the sconce is minimal and timeless, the two sizes of chandelier feature a unique twist on a ring silhouette. Finished in Aged Brass, the delicate suspension includes loops that attach to hooks on the canopy, highlighting the fine craftsmanship behind this design.
