SYSTEMA STACCATO

2003.25-CON

Sonneman

The Systema Staccato family uses modern branch-like silhouettes to create striking geometric statements. While some chandelier configurations remain pared back with a single bar, others expand into large-scale, multidirectional layers of light. Available in multiple sizes, Systema Staccato is available with cone, pan, or drum shades to provide general or directed illumination as needed. Available in Brass and Satin Black finishes.
