

CONSTELLATION®

2151.33C-27

Celestial imagery meets modern technology in the Constellation® family. LED hubs are fastened along linear strands of various lengths like beads on a necklace. These are suspended in distinctive configurations, creating powerful luminance within a vertical space. Constellation® is available in nine distinct styles with limitless configurations. Choose from crystal facets or soft white lenses, with metal finishes of Satin Nickel, Espresso Black, or Safin Brass.
