HUDSON VALLEY LIGHTING

Antique and industrial influences come together in the Gaines family, giving each fixture a workshop-inspired style. Rows of studs and perforated metal accents pay homage to vintage machinery and corrugated construction. Available as picture lights in three sizes, chandeliers in two sizes, plus pendant and flush-mount options, Gaines balances form and function with a sturdy sense of permanence. Finishes include Aged Brass, Historic Nickel and Aged Brass with Old Bronze, with availability varying by fixture.
