CUBIX™

24Z0001K

Sonneman

A simple geometric cube serves as a building block for the complex overhead compositions of the Cubix™ family. Each fixture features ar open metal framework finished in Satin Black. The dramatic geometry of the configurations is amplified by scale, creating a focal point in a large entryway. Available as a surface mount in four sizes and a pendant in four sizes, the Cubix system can be connected in multiples t form limitless combinations filling expansive vertical or horizontal space.
