HUDSON VALLEY LIGHTING

Incorporating CSL's innovative 'Whisper' technology, the Tuthill sconce is a stylish alternative to traditional can lighting. A magnetic canop eliminates visible screws for a clean look, accented by diagonal knurl around the edge of the fixture. Finished in Aged Brass or a two-tone combination of Aged Brass and Dark Bronze, Tuthill delivers simple, highly functional lighting in an easygoing format. Designed to be mounted on the wall or ceiling.
