GLENFORD

3111-PN

HUDSON VALLEY LIGHTING

Slender metal stems arc upward from Glenford's rectangular backplate in a graceful, calligraphic gesture to support tapered classic white shades. As the light filters through the silky fabric, it casts an atmospheric glow along a corridor, beside a bed or across the wall. Bringing a sense of elegance to both traditional and contemporary spaces, this sconce is available with one or two lights in Aged Brass, Old Bronze or Polished Nickel finishes.
