

MECLISSE™

3113.25E

Inspired by a record spinning on a turntable, Meclisse™ features circular medallions that radiate light through modern ribbed glass discs. As a sconce or pendant, the shades use textural detail to amplify the multidimensional lighting effect. The pendants are strung through the center by minimal lariats, directing LED light at different angles. Available in a variety of sizes and finishes, including Polished Chrome and Satin Black.
