

TORC™

3152.25

Inspired by acrobat rings, Torc™ is a playful sculptural lighting composition of interlocking illumination. Available with 1, 2, or 3 rings, this pendant family features open-ended silhouettes with a jewelry-like delicacy. The integrated LED along the interior of the rings provides a glare-free glow, projecting light across negative space. In Satin White or Satin Black finishes, Torc brings an expressive modern energy to residential, hospitality, and commercial interiors.
