LEDA

346-24-VB

An alabaster diffuser wrapped in a Vintage Brass framework gives this design its luxurious architectural aesthetic. The straight lines of the metalwork create a modern, column-like framing that feels both nostalgic and new. An LED illuminates the alabaster from within filling the entire piece with a soft glow.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
