

TANZANITE

379-01-VB

A distinctive geometric wall sculpture, Tanzanite features a folded motif of translucent alabaster. The Vintage Brass frame brings out the warm tonal variations found in the alabaster while adding a metallic contrast to the natural stone. Whether the sconce is illuminated or not, the juxtaposition of materiality makes a poetic statement.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
