

# DONNELL

3815-PN

Two different types of glass make this pendant feel special and sophisticated. A detailed Aged Brass or Polished Nickel band at the center separates the clear glass above from the opal glossy glass beneath for a visually interesting design that not only draws the eye when unlit it beautifully pairs a brighter light with a soft glow when lit. This pretty pendant feels right at home styled over the kitchen island.

## FINISHES

POLISHED NICKEL
