DELMAR

3913-AGB

HUDSON VALLEY LIGHTING

Prized for its extraordinary light diffusion effects, Spanish alabaster has long been used in place of windows in churches and in other applications where a sense of awe is desired. Delmar sets a stunning slab of Spanish alabaster on a cast metal backplate or canopy, clasped into place with pieces of strong metal in brackets that accent the piece while breaking the frame. The result is instant drama, sure to raise the game in any space.
*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
