

SCEPTER

3962.38

Deco meets modern in the sleek Scepter family. These bath bars and sconces bring together simple white tubular shades with solid brass metalwork, formed using a heritage drop-forging process. As the LED runs the length of the fixtures, it creates an even light output without glare. One or two shades serve many applications, with the latter allowing for vertical or horizontal mounting beside or above a mirror. Finish options include Polished Chrome, Satin Brass, and Black Brass.
