

EDGEMERE

4051-AGB

A modern 'air lantern' design with a bold architectural silhouette. In lieu of a central light source, LED strips are integrated into the cage of Edgemere itself. A rectangular panel of alabaster is attached to each arm, creating a geometric array of light within the piece. The sleek mixed materiality feels grand and traditional with a futuristic edge. Available in a 3 or 4-light pendant in Aged Brass or Aged Brass and Distressed Bronze or a single light sconce in Aged Brass or Distressed Bronze.
