WESTON

4502-PN

HUDSON VALLEY LIGHTING

Werner revisits the classic ring silhouette with the romance and polish of a bygone era. Opal glossy glass spheres perch around a generous Aged Brass ring frame, while darker curved stems introduce a rich mixed-metal contrast. Delicate ball chains suspend the fixture from above, adding jewelry-like detail. Available in two sizes, Werner makes an elegant statement over a dining table or at the heart of a room.
