

NEPHELE

473-ACC-A-BRZ

CORBETT

Nephele floats like a strand of luminous pearls. Linked by metal connectors, glowing glass orbs join together in a modular composition, creating 8-, 12-, and 16-light LED chandeliers, 1- and 3-light wall sconces, and 3- and 5-light pendants. A new canopy kit allows for additional variations in form, turning Nephele into one-of-a-kind installations. Available in Vintage Patina Brass with Cloud glass or Bronze with Cream Cloud glass.
