

AMALTHEA

481-03-VB

Defined by a poetic, gestural array of sweeping arms, the family of Amalthea is alluring and modern. Perched at the tip of each arm is a thin etched acrylic rod, end-lit with LED. While reminiscent of slender torches, the Vintage Brass branches also come across as organic. Each variation in this family, including a 3-light sconce and 18 or 30-light chandelier offers distinctive visual appeal while providing a lighting solution to meet the needs of your space.
