CORBIN

482-29-VB

A study in layering, transparency, and colored glass techniques, Corbin has an ethereal windchime-like silhouette. The central tubes are accented by large oblong shades resembling beads on a necklace. These modern forms are enhanced by the use of clear and tinted ombre glass, which creates a stunning display when illuminated by the central LED tube. Corbin is available as a 1-light pendant, 1-light sconce, and 3-light chandelier.
