

WEST PARK

5141-SWH

Celebrating artisanal craftsmanship, the West Park sconce is encrusted in an intricate pattern of natural coco beads. An off-white linen lining tempers the light source, while the open weave allows a warm, ambient glow to permeate a room. The tapered half-cone silhouette may be mounted as an uplight or downlight and is finished in Soft White with a tightly woven bead trim, creating a tailored edge. The luxurious application of the beading makes West Park a standout.
