MALONE

5271-PN

HUDSON VALLEY LIGHTING

A considered study of texture, geometry and proportion, the Malone sconce pairs a column of ribbed clear optic glass with clean metalwork. A gleaming sphere secures each shade to a square backplate, echoed by a slender metal rim tracing the edge of the glass. Available with one or two lights in Aged Brass or Polished Nickel, Malone transforms a simple mix of rounded and linear forms into a memorable everyday staple.
