# ALBA

CORBETT

Alba captures the quiet elegance of light at its most elemental. Inspired by the soft shimmer of a pearl cradled in its shell, this organically shaped collection features curved, hand-textured dark bronze piastre glass shades that diffuse light with subtle radiance, grounded by a metal frame finished in Old World Bronze. Available as a 3- or 9-light flush mount, Alba is designed to make an impression without dominating the space. It's lighting as a finishing touch: simple, sculptural, and undeniably refined.
