HINA

CORBETT

Inspired by Noz's love of mountain forests, the Hina sconce takes its shape from a curious owl peeking out from a tree hollow. A soft alabaster shade is nestled within the opening, coming alive with tonal gradations when lit. The interior of the Vintage Gold Leaf frame is etched with a sunburst texture that evokes the natural ridges of tree bark. Designed to illuminate a small space, Hina brims with charm wherever it is placed. Part of the Noz Nozawa collection.
