7634.39-MB

Sonneman

Hand-blown by skilled glassblowers, the atmospheric beauty of Opalesce celebrates the craftsmanship of its medium. The generously proportioned tinted shades create bubbles around a softly illuminated center, creating a rich interplay of light, transparency, and form. Available in Modern Brass with Bronze Glass or Black Brass with Smoke Glass, Opalesce balances industrial geometry with an airy quality. The family includes a 1-light sconce, 1-light flush mount, 1-light pendant, and 6-light semi-flush mount.
