

CYGNUS

7715.39-MB

Sonneman

Strands of illuminated capsules create a futuristic canopy of light in the Cygnus chandelier. Each etched acrylic form is accented with a brass-finished metal band at its center. Suspended at varying heights, the tapered shades form a cascading composition that evokes falling rain. Available with 9, 21, or 27 lights, Cygnus brings dramatic scale to double-height spaces, stairwells, and grand interiors.
