

GREENPORT

8007-PN

A shade made of the finest Spanish alabaster protrudes slightly from beneath a round metal frame giving this flush mount its sleek, modern silhouette. Purposely sourced from a region in Spain where the alabaster is known for having very light veining, the natural beauty of the material shines through. The shade's convex shape beautifully refracts light, gently illuminating not only the area directly beneath but off to the sides as well. The flush mount is available in two sizes (7" and 14") and three finishes (Aged Brass, Old Bronze and Polished Nickel).

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
