JONES POINT

8020-VGL

HUDSON VALLEY LIGHTING

A pendant and lantern fusion, Jones Point makes an earthy first impression with natural materials and fine craftsmanship. Designed to resemble tree branches, a hammered metal cage finished in Vintage Gold Leaf surrounds an inner shade. Woven in a unique criss-cross pattern from bleached abaca, the shade's linear grain mirrors the pleasing verticality of the frame. Jones Point provides warm illumination as it hovers above dining tables, entryways, and more.
