

CALLA

B1252-TBK

TROY LIGHTING

Designed for larger homes, the Calla sconce packs a powerful amount of light into a sleek, rectangular silhouette. Located in the center bar of the fixture, an integrated LED emits light backward to minimize glare. A textured black finish reinforces Calla's modern, industrial profile.

Part of Troy Elements, Calla is crafted from an exclusive EPM material that can handle UV and salt exposure for years to come.
