# **EFRON**

### B1905-SWH/CIX

The classical design language of the Efron sconce is modernized through an earthy ceramic texture. Nodding to classical European architectural details, this petite wall light's half-bowl shade features vertical flutes reminiscent of columns. Mounted flush to the wall, Efron casts light both up and down, creating a soothing, inviting ambiance wherever it is placed. Available in a Soft White or Ceramic Ivory finish.
