

LOS VILOS

B2027-PBR

The magic of Los Vilos stems from its clever construction. Combining elongated lines with statement stone, this torch-like sconce features a grey travertine backplate with a concave center. This creates the illusion that the sconce is levitating in front of the stone. A simple white linen shade diffuses light across these enchanting features.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
