

CANDLER

B5212-BRL

Playful and organic, the Candler sconce pairs a woven shade with swooping metalwork. The undulating edge of the shade is reflected in the direction of the Saguran weave, drawing the eye upwards to the tapered top. From there, a gooseneck arm continues the curvature before it loops back down to connect at the backplate. The Bronze Leaf finish pairs beautifully with the textile's warmth, elevating a more casual sconce to a characterful piece.
