

# MAILO

B5612-PBR

Inspired by vintage furniture, the Mailo family's complex woodworking techniques and exposed hardware elements put its construction at the center of the design. The white oak frame of each piece is complemented by Patina Brass accents and a matching cord that runs parallel to the arm. In its 1-light sconce format, Mailo swings from the backplate, making it an ideal bedside light that can be easily adjusted. The 3 and 5-light chandeliers feature sleek wooden arms, joined at mitered corners beneath the fixture to create a seamless look. The white linen shades add a finishing note of freshness to this modern family.
