HALSTON

C2714-PBR

TROY LIGHTING

The striking silhouette of Halston hovers between the earthy and ethereal, the icy and molten. Both a functional flush mount and a work of art, this design-forward fixture seems to drip from the ceiling pan as if it were laden with light. The cast piastre glass lends an otherworldly texture, with a striking concentric ring pattern visible from below. Warmed by the lustrous Patina Brass framework, Halston transcends the ordinary with its captivating glow.
