ADLEY

CB3846-GB

HUDSON VALLEY LIGHTING

Adley is a sculptural, free-form family of fixtures with an inherent sense of fluidity. This soft take on geometric lighting leads you on a visual voyage with its unique Gradient Bronze finish. Transitioning from brass at the light source to a rich bronze, the metal frame draws the eye with its artistic ombre. Whether as a sconce or chandelier in two sizes, Adley can serve as a punctuation mark in a layered lighting scheme or make a memorable impression in an entryway.
