ECO-DOWNLIGHT

CSL

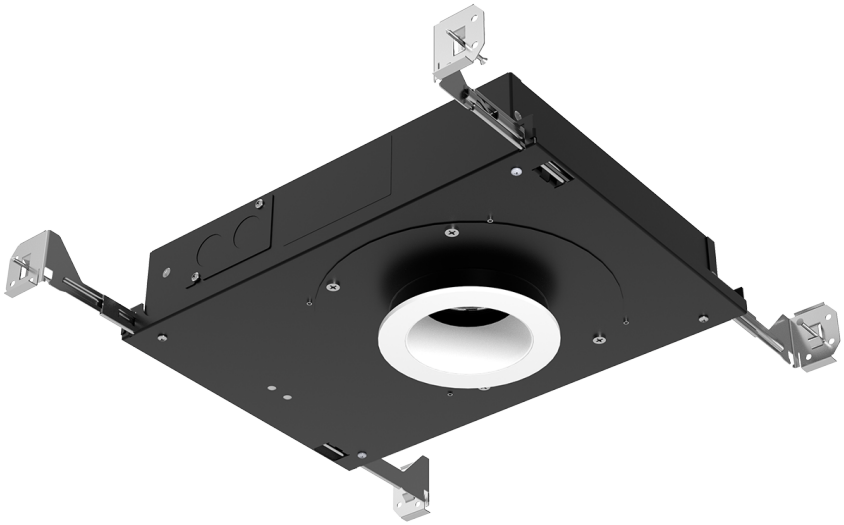

Engineered for versatility, the ECO Essential Downlights install effortlessly into ceilings as shallow as 2½ inches, making them ideal for sophisticated interiors with spatial constraints. Offering a luminous output of 850 to 1300 lumens, these 3-inch downlights provide beautifully diffused, glare-free illumination. With premium 90+ CRI LED technology, they render true-to-life colors and feature smooth dimming capabilities to create the perfect ambiance. A curated selection of trim styles and finishes ensures a flawless complement to any design aesthetic, maintaining a refined and cohesive ceiling profile.
