WOODSIDE

F1422-PBR

TROY LIGHTING

Elevating classic RLM design language, the Woodside pendant incorporates natural materials and unexpected proportions. The conical shade has been woven from flat rattan, giving the piece a highly textural, organic quality. A large etched glass globe protrudes from beneath the shade, adding considered geometry to the composition. When lit, the rattan glows with a reddish-brown hue that feels warm and inviting.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
