TROY LIGHTING

This industrial family makes a statement with its sprawling, slender arms. Each shade features a slot for the arm to pass through, partially exposing the bulb. Offered in a mix of Patina Brass and Bronze or Patina Brass with Soft Sand, the finish combinations introduce contrast within the modern silhouette. The 3- and 5-light chandeliers feature cantilevered arms reinforced by wire bracing, while the 1-light sconce is available with either a fixed or adjustable arm.
