MOSS

F8212-PBR/TBK

Moss is a fresh take on traditional lanterns. A series of glass panels are held in place by textured black metal to form a unique hex silhouette. Wavy clear glass breaks apart and refracts the light beautifully. A clear bulb in a patina brass socket floats within the frame and fills it with a stunning glow. Whether kept close to the ceiling as a flush mount or hanging lower as a pendant, Moss will add a graceful elegance to any space.
