

# OLIVIA

H223101-PN

The Olivia family reimagines a traditional candlestick through a clean, architectural lens. Slender, elongated metal stems support tailored cylindrical shades that diffuse light around a space. The sconce is offered in several finish combinations: the clear crackle glass shade is paired with Old Bronze, Aged Brass, or Polished Nickel, while the white linen shade is available in Old Bronze, Aged Brass, Polished Nickel, Soft White, and the newly introduced Patina Brass. A rechargeable sconce is also available, featuring Aged Brass metalwork with a white linen shade. The five-light chandelier is offered exclusively in Aged Brass.
