# **HATTIE**

#### H743101-AGB/TWH

Hattie is just as striking lit as unlit. A diagrammtic aged brass arm reaches upward to hold a textured white convex shade. Small metal spheres on the backplate and shade ground the design. When lit, light fills the shade with a gentle glow and creates a reflection on the wall behind. This stunning sconce is a chic addition to any space.

#### **FINISHES**
