

ALLEGRA

H782808-AGB

A deconstruction of the recognizable ring chandelier, Allegra breaks the circular form into separate staggered arcs. The arcs orbit around an Aged Brass orb at the center and the bulbs are deliberately spaced equidistant from each other creating an overall soothing, rhythmic effect. The wall sconce takes a single curved Aged Brass tube and mounts it on a circular backplate providing both uplight and downlight.

FINISHES

AGED BRASS

Coastal Suitable Finish (EPM): No
